THANK YOU FOR YOUR GENEROSITY!

YOUR GIFTS

Charities depend on the generosity of others to do their good work. There are many ways to help. Your gifts of talent, time and intention will make the event a powerful symbol of the healing power of horses.

Talk to your friends, coworkers, family, your feed store, the vet clinic etc.... about your plan to make an impact in 2020. Share your progress and success on social media. Tell others about what inspires you. We hope these conversations spread the word about distance riding, inform others about your horsey spirit, and help fill some specific needs.

Together we can shine a light on at least two extremely needy and deserving missions.

*Great Mystery,
teach me how to trust
my heart,
my mind,
my intuition,
my inner knowing,
the senses of my body,
the blessings of my spirit.
Teach me to trust these things
so that I may enter my Sacred Space
and love beyond my fear,
and thus Walk in Balance
with the passing of each glorious Sun.*
